

My Racing Mentor

If you are motivated to constantly improve your racing program, then you'll love to be part of The My Racing Mentor Teleseminar with CD! It's like having a racing mentor at the end of your telephone each month and a CD of the call to listen to again and again to reinforce the guidance you'll get on each call. Each month Armadillo Racing's Andy Collins will conduct a live phone seminar with a racing guru with the purpose to improve your racing. Our first one was conducted in January with race engineer Jeff Braun as he discussed 3 important secrets to improving your lap times. Each call will give you the chance to ask questions of the guru.

Following the live teleseminar, the CD of the event will be delivered right to your door! *To take advantage of this incredible offer all we need is a onetime charge of \$3.34 to cover postage.*

By joining up today, you'll enjoy Two FREE teleseminars complete with CD, before we automatically charge your credit card at our Silver Membership Price of \$19.95. Anytime you wish to cancel your membership, simply give our office a call at 1-888-211-9129 and we'll STOP charging your card immediately. No Questions, no hassles, no hard feelings. You MUST be completely satisfied. If not, we want you to cancel your membership.

You can improve every aspect of your racing by simply participating in a monthly call or if you are busy, you can learn the secrets only race professionals know by listening each month to the CD of the call. Better yet, listen and participate in the call and listen to the CD.

Now you can have your own Monthly Racing Mentor.
